April 28, 2009

As new information becomes available concerning swine flu and how it relates Kingman County citizens, this website will be updated. It is anticipated that updates will be provided at least on a daily basis. If you have questions beyond the information you find on this website, please check Kansas Department of Health and Environment's website at www.kdheks.gov or call Kingman County Health Department at 620-532-2221. Locally, Swine Flu updates will also be posted on the Leader Courier's website www.kingmanleader-courier.com, and Cable Channel 7.

We appreciate your patience as this situation unfolds, but we will try to keep you informed just as soon as we receive new information.

Cindy Chrisman-Smith
Kingman County Health Officer

Fred Simon
Kingman County Emergency Manager

Randy Hill
Kingman County Sheriff
Kingman County Assistant Emergency Manager
